

CT 3020 De-Stripper

Proudly Made in the USA 

- The fastest, most efficient de-stripper on the market
- Operator-friendly features and benefits
- Famous CheckTech brand quality and reliability
- Most competitive price point on the market
- Virtually maintenance free
- Removes both taped & glued strips with no damage to checks
- Precision cut allows for subsequent restripping

"The Model 3020 manual feed de-stripper quickly and efficiently removes any type of strip from our checks. We would be lost without these units."
