DESKSIDE SHREDDERS

Standard Features

- Auto Start/Auto Stop: Optical sensor detects paper and starts operation automatically
- Door Safety Sensor: Motor stops automatically if cabinet door is opened
- Auto Reverse: In case of paper jam, built-in controls switch motor into reverse to clear jam
- Heat-treated steel cutters are specially ground for longevity and require minimal oil
- High Quality Geared Motor: Powerful, efficient AC geared-motor with heavy-duty steel gears for high performance and minimal noise
- All metal cabinet with casters
- Auto Sensor: When the waste bin is full, the motor stops automatically
- Lifetime Guaranteed heavy-duty waste bin
- Cutter Auto Stop: If shredding is continuous for more than 30 minutes, cutter revolution stops automatically
- Thermal overload protection
- Safety Circuit Breaker ensures safe operation
- Optical Sensor Sensitivity Recovery: Can be reset by pressing the stop button for 7 seconds

Abilities:

- Accepts staples and paper clips
- Strip-cut model accepts CDs
- Cross-cut model features 1/16" wide micro-cut
- Manual Function: Can be used when shredding small sized paper or films which can't be detected by the sensor

Warranty

- 10-Year Limited Warranty on cross-cut and strip-cut cutting head
- 1-Year Warranty on all other parts
